

GUIDELINES FOR RESERVING COURTS

2011-2012

- 1) You can only play on a reserved court for 1 hour a day per person.
- 2) The person that signed up to reserve the court must be there to play.
- 3) When your hour is up, even if you are not finished with your game, you must leave the court.
- 4) The reserve signup sheet will be put up at random times on Sunday.
- 5) You can "ONLY" sign "YOUR" own name up on the reserve sheet.
- 6) Because we have limited reserved courts this season please be courteous to others and don't sign up for every morning or afternoon or we will have to make some adjustments.
- 7) All other players will monitor the courts!!!!

Welcome back everyone... Thank you for following these guidelines.... Lets have another great season this year!!!

If you have any questions, issues, or suggestions please feel free to stop over to our place or call me and we can sit down and talk about it and try to find a solution.

Thank you,
